

Application for Blue Lake Web Site Business Directory

The City of Blue Lake includes a business directory on its web site. As a current business license holder, you will automatically be eligible for inclusion in the directory. If you do not wish to be included, check the line indicating that you choose not to and also enter the name of your business below. If you wish to be included, please fill out all applicable information below so we can complete your listing. In either case, please return this page with your current Blue Lake business license application form and fee.
